

## Understanding the Revised Mass Texts

**Author/Artist: Paul Turner**

We mentioned this booklet at May's information evening in the Pastoral Areas. The Diocesan Liturgy Commission found it to be very accessible and pastoral, with clear explanations. At the time, it wasn't available to purchase in Europe. It is now available via McCrimmons, in England.

*"A concise and persuasive guide of the new translation of the Missal - and a useful resource to assist parish communities deepen their understanding of the prayers we use at Mass." - Fr Allen Morris, Chair of Westminster Liturgy Commission*

*"Readers will find Fr Paul Turner's explanation of the new translation both informative and insightful. More than that, I hope this excellent booklet will draw people more deeply into the celebration of the Mass which is in the heart of our faith. I am grateful to LTP and McCrimmons for making this anglicised edition available as we prepare for the new translation of the Missal." - Rt. Revd. Arthur Roche, Bishop of Leeds, Chairman of the Bishops' Conference Department for Christian Life and Worship.*
