

At the Last Supper Jesus gathered with his disciples to have a meal, and to celebrate with them the feast of the Passover. He washed their feet and he told them that they should always remember to love one another, as he had loved them. It was a very important night.

Think about who you would invite to an important feast. What food would you have and what important things would you tell people that you have learned from Jesus? Fill in the answers and then colour and decorate the Invitation below.
