

## Masses available online and on the radio in the Diocese of Limerick

In responding to the challenges of the Coronavirus all Masses in the Diocese have been cancelled for at least the next 3 weeks.

A number of Churches in the Diocese have web cameras and will broadcast Masses online so people at home can participate in the celebration of the Mass. SacredSpace102fm will also be broadcasting a studio Mass on Sundays and St Patrick's Day on West Limerick 102fm.

If you have relatives and/or neighbours who would like to participate in an online Mass, who do not have access to a computer or tablet, you might consider supporting them by setting up your laptop/tablet for them so they can be part of the online congregation.

**Churches will remain closed during the celebration of the Mass; the only way of participating will be online.**
