

• PREPARING AT HOME FOR • CONFIRMATION

PRAY TOGETHER EVERY DAY

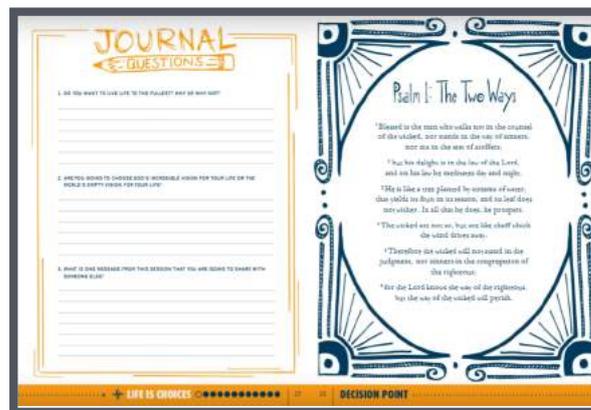

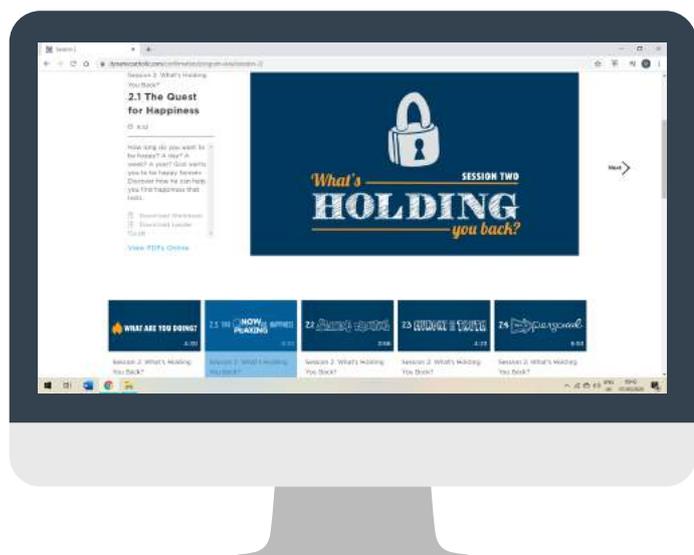

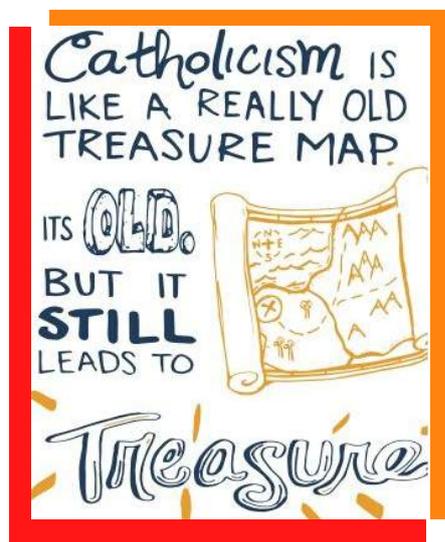

There are many important ways to prepare for Confirmation. The most important thing, however, is to pray every day. Praying with members of our family opens our hearts to one another and allows God to unify our family in a powerful way.

When we pray, we invite God into our hearts and our minds; we draw near to him and he is the best Teacher of all.

by Dynamic Catholic

ENGAGING YOUTH WITH THE FAITH IN A DEEP AND MEANINGFUL WAY.

Decision Point is a comprehensive, engaging, video-based Confirmation preparation programme. All twelve sessions are available online with free access to videos and a workbook that can be downloaded or viewed online.
