

THE RE HOMEPAGE

'Corpus Christi' is Latin for 'Body of Christ,' and is the feast day when the whole Church celebrates the gift that Jesus gives us in Holy Communion. Another name for Holy Communion is the Eucharist, which literally means 'thanksgiving.' Every time we go to Mass and receive Holy Communion, we are receiving Jesus, who loves and cares for us, who wants to be present with us in all our joys and sorrows.

Today, let's offer Him our hearts, our attention, our gratitude, and our love!

SAINT & VIDEO OF THE WEEK

St Anthony of Padua

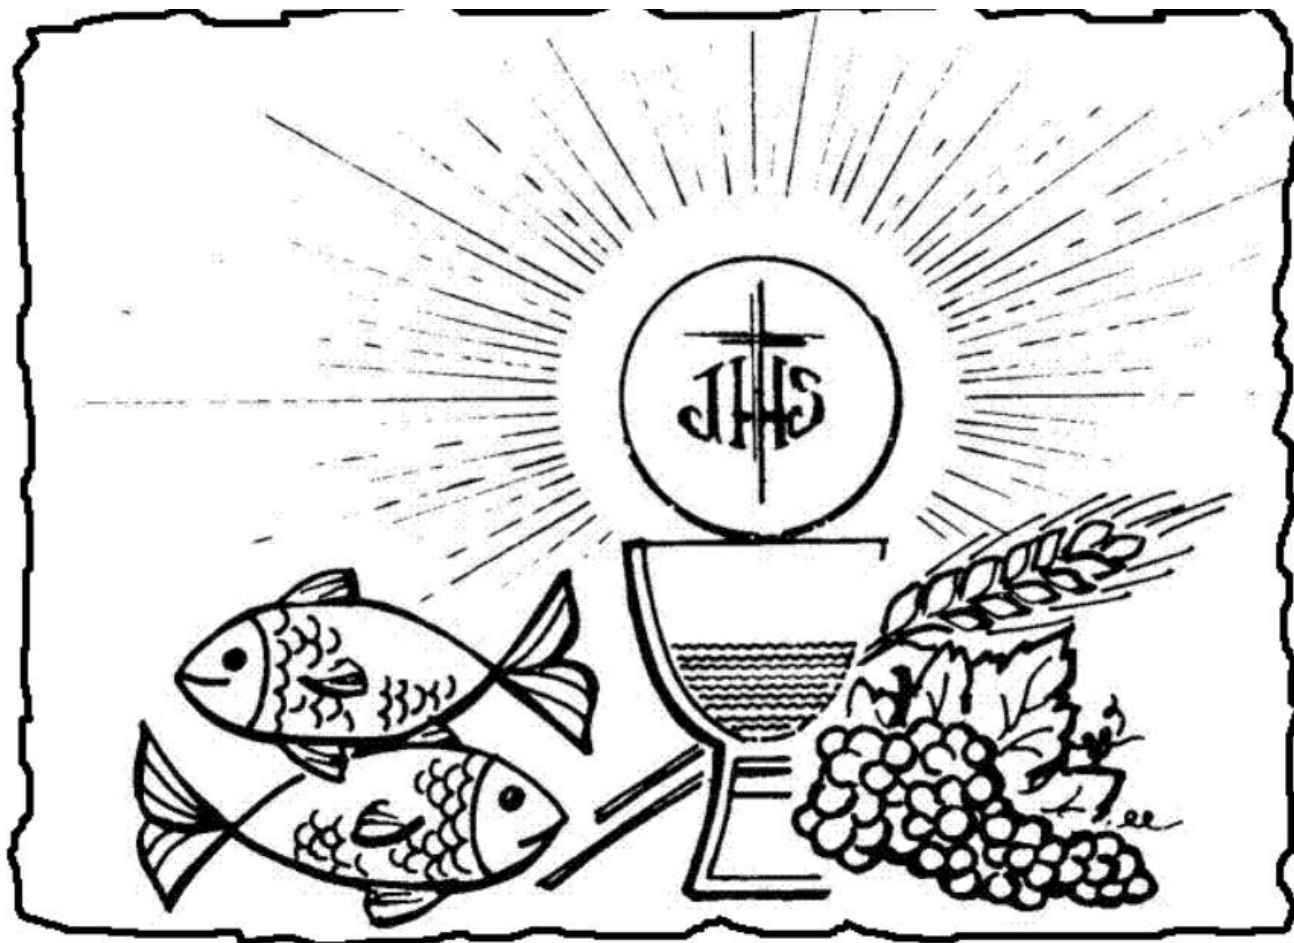

Although Saint Anthony was born in Portugal and lived many years in Padua, Italy, he is a very popular in Ireland! Once he preached about Jesus to fish, who came swarming to the shore to listen to him. He is often pictured holding the Infant Jesus because of his great love for the Son of God, who humbled himself and lived among us. St Anthony once had a book stolen by a jealous brother, but after Anthony prayed for him, the book was returned. His prayers have helped many people to find lost items!

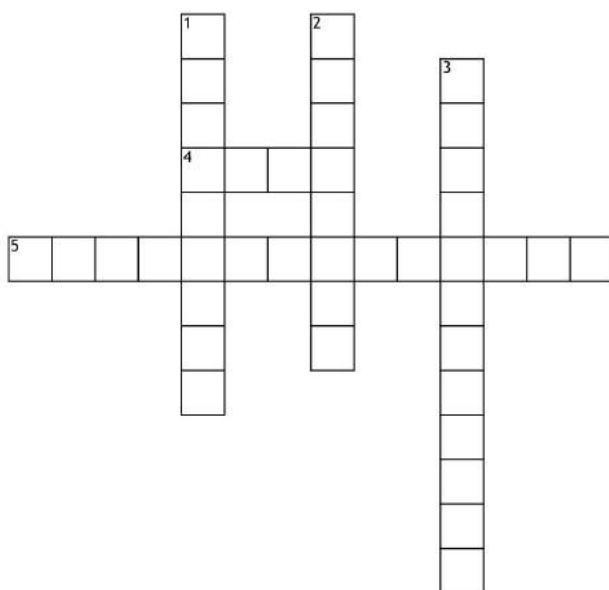

John 6:51-58

Gospel for Corpus Christi, 14 June 2020

Jesus said to the crowd: 'I am the living bread which has come down from heaven. Anyone who eats this bread will live for ever; and the bread that I shall give is my flesh, for the life of the world.' Then the Jews started arguing with one another: 'How can this man give us his flesh to eat?' they said. Jesus replied: 'I tell you most solemnly, if you do not eat the flesh of the Son of Man and drink his blood, you will not have life in you. Anyone who does eat my flesh and drink my blood has eternal life, and I shall raise him up on the last day. For my flesh is real food and my blood is real drink. He who eats my flesh and drinks my blood lives in me and I live in him. As I, who am sent by the living Father, myself draw life from the Father, so whoever eats me will draw life from me. This is the bread come down from heaven; not like the bread our ancestors ate: they are dead, but anyone who eats this bread will live for ever.'
